

RECIPE OF ME! (front side of direction card)

DATE DUE: _____

You're a one-of-a-kind design made up of a unique blend of ingredients. For example, you may be a mix of strength, eight hours of sleep, and determination, combined with your size (long or short legs, etc.), your coloring (hair, eyes, etc.), and other characteristics, to make a complete recipe of you.

Think carefully about your personality, values, what makes you happy, what makes you special, favorite foods, hobbies, or any other characteristics that make up you. Use strong adjectives to describe you. Brainstorm first and write down your ideas.

REQUIRED MATERIALS:

- Recipe or lined index card(s) (enough for your recipe).
- One small picture from home (These will be put in a class recipe book, so pictures will not be returned. If you don't want to give away a photo, draw a self-portrait instead).
- Completed recipe mounted on a 9" X 12" piece of construction paper with a border drawn by hand or made on the computer.
